

# DİKKAT ETKİNLİKLERİ - AYNISINI BUL

Şekillerin yandaki gibi sıralandığı 3 grubu işaretleyiniz.

A 20x4 grid of clock faces for a matching exercise. Each row contains four clock faces. The first column has 10 rows, the second has 10 rows, the third has 10 rows, and the fourth has 10 rows. The clock faces are arranged in a pattern that is mostly consistent but has some variations in the order of the hands, making it a challenge to find the correct match.
